PERSONAL DINING

Let us take care of you with personal dining on the beach, in your home, or for two. Our talented and charismatic chefs weave together seasonal ingredients to provide a fresh and flavorful meal in a lively, intimate atmosphere.

PERSONAL CHEF DINNER

International culinary expertise, seasonal flavors, and the company of loved ones combine at your dining room table for a dinner with a personal chef. Lively conversation, storied cuisine, and a coming together of people are the key ingredients for this memorable meal.

SUNSET BEACH BARBECUE

Step out under the setting sun on Playa Danta to enjoy a Beach Barbecue with family and friends. A mix of old beach classics and seasonal creations served out on the cool intertidal sands, a gentle breeze coming right off of the ocean while you share a memorable moment under a starry Guanacaste sky.

Best suited to low tides. For ideal viewings of sky, enjoy between first quarter and full moon, or between last quarter and new moon.

DINNER FOR TWO

Take time to be together over a meal for two, served in the home or out under the stars of Playa Danta. Paired cheeses and wines, artisan ingredients from land and sea, and hand crafted desserts make this meal a treat for any occasion.
